Quick, Simple and Affordable Booklet Making

The FD 160 Tabletop Booklet Maker is a compact and affordable addition to small print shops, offices, churches and schools. Quick and easy setup leads to professional-quality booklets, right from your desktop. Staple and fold up to 12 sheets of 20# bond with two staplers in a choice of four stapling positions. Simply insert sheets, press down on the stapling handle, and the FD 160's motorized rollers fold and eject the finished booklet. With the ability to create up to 420 booklets per hour, this economical model is ideal for short-runs or in-house projects.
